

VOLUNTEER REQUEST

In order to be a part of PTG, member families are REQUIRED to actively participate through volunteering.* To be successful PTG needs members to volunteer to organize events, to help manage events (by providing help to the organizer) and to chaperone events. Below is a suggestion of some of the activities done in the past. These activities are not limited to this list. If you have other ideas please feel free to add them to our calendar at the member meeting.
